

Cadets Rising, Programs and Services

Helping young people learn, lead, and grow.

For schools, communities, and partners investing in youth.

01 Certification Academies

Purposeful pathways for student growth and opportunity.

Student Athlete Academy

Basketball connects athletic development with academic accountability, leadership, and community engagement.

Voice and Presence Academy

Speaking, listening, and live hosting help students communicate with confidence in school and beyond.

Career Certification Academy

Career exploration and skill building create pathways toward certification and future opportunities.

All Ability Academy

Inclusive sports and movement support participation, confidence, communication, and team belonging.

02 Clubs and Enrichment

Build focus, discipline, and teamwork through engaging, active enrichment.

Chess / Martial arts / Basketball
Flexible sports enrichment

03 Academic Support

Round Robin Tutoring

Focused rotations in English Language Arts, mathematics, and physical education keep students learning and moving.

04 Family and Community Engagement

Parent and family workshops and community workshops build awareness and strengthen connection.

Current workshop topics

Social media and education awareness
Sexual harassment awareness
Empathy awareness

05 Restorative Practices

Restorative Justice Ambassador Program

On-site restorative circles, mentoring, and student support strengthen school climate.

06 Consulting and Capacity Building

Grant Fidelity Consulting

Data integrity, attendance tracking, and staff training support grant fidelity.
